

Staff Training Checklist

Complete Training Matrix for ASC Compliance Roles

Product: Ambulatory Surgery Center Compliance Manual — Tier 2
Version: 1.0
Applicable Standards: CMS §416.46 (Staffing & Staff Responsibilities), OSHA, AAAHC Staffing Standards, State Requirements

Purpose

This document provides a comprehensive training matrix covering every required and recommended training topic for ASC staff. It is designed for small operations where 1-2 people manage compliance alongside clinical duties.

How to Use

1. **Complete the Staff Roster** (Section 1) with all employees and their roles
 2. **Use the Master Training Matrix** (Section 2) to identify required training per role
 3. **Track completion** using the Individual Training Records (Section 3)
 4. **Follow the Training Calendar** (Section 4) for scheduling
 5. **Use the Competency Validation Tools** (Section 5) to document skills assessment
-

Section 1: Staff Roster & Role Classification

Role Categories

Code	Role Category	Description	Training Tier
RN	Registered Nurse (OR, PACU, Pre-Op)	Licensed nursing staff	Full Clinical
ST	Surgical Technologist	Assists in OR, sterile processing	Full Clinical
CRNA	Certified Registered Nurse Anesthetist	Anesthesia provider	Full Clinical + Anesthesia
MD	Physician / Surgeon	Credentialed provider	Provider-Specific
SPD	Sterile Processing Technician	Instrument reprocessing	Full Clinical (IC-focused)
ADMIN	Administrative / Front Desk	Non-clinical staff	Administrative
MGR	Administrator / Manager	Facility management	Leadership + Full Clinical
MAINT	Maintenance / Facilities	Building systems	Facilities-Specific

Section 2: Master Training Matrix

2.1 Mandatory Training — All Staff (Every Role)

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	RN	ST	CR NA	MD	SP D	AD-MIN	MG R	MAINT
1	New Employee Orientation	§416.46 / AAA HC	At hire	In-person	8 hrs	✓	✓	✓	✓	✓	✓	✓	✓
2	HIPAA Privacy & Security	HIPAA	Annual	Online/In-person	1 hr	✓	✓	✓	✓	✓	✓	✓	✓
3	Fire Safety (RACE & PASS)	§416.44 / NFPA	Annual	In-person + drill	1 hr	✓	✓	✓	✓	✓	✓	✓	✓
4	Emergency Preparedness	§416.54	Annual	In-person + drill	1 hr	✓	✓	✓	✓	✓	✓	✓	✓
5	Infection Control	§416.51	Annual	In-person	1 hr	✓	✓	✓	✓	✓	✓	✓	✓

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	RN	ST	CR NA	MD	SP D	AD-MIN	MG R	MAINT
	trol Basics												
6	Hand Hygiene	§416.51 / CDC	Annual	In-person + observation	30 min	✓	✓	✓	✓	✓	✓	✓	✓
7	Bloodborne Pathogens (BBP)	OSHA 29 CFR 1910.1030	Annual	Online/ In-person	1 hr	✓	✓	✓	✓	✓	✓	✓	✓
8	Hazard Communication (HazCom/ SDS)	OSHA 29 CFR 1910.1200	Annual	In-person	30 min	✓	✓	✓	✓	✓	✓	✓	✓
9	Workplace Violence	OSHA (General)	Annual	In-person	30 min	✓	✓	✓	✓	✓	✓	✓	✓

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	RN	ST	CR NA	MD	SP D	AD-MIN	MG R	MAINT
	ce Prevention	Duty)											
10	Patient Rights & Grievances	§416.50	Annual	In-person	30 min	✓	✓	✓	✓	✓	✓	✓	✓
11	Cultural Competency & Non-Discrimination	§416.50 / CMS	Annual	Online/In-person	30 min	✓	✓	✓	✓	✓	✓	✓	✓
12	Compliance & Ethics	OIG Guidance	Annual	In-person	30 min	✓	✓	✓	✓	✓	✓	✓	✓

2.2 Clinical Staff Training (RN, ST, CRNA, SPD)

#	Train- ing Topic	Regu- latory Basis	Fre- quenc y	Meth- od	Dura- tion	RN	ST	CRNA	SPD
13	BLS / CPR Certi- fica- tion	§416.4 6 / AHA	Every 2 years	Hands- on course	4 hrs	✓	✓	✓	✓
14	ACLS Certi- fica- tion	§416.4 6 / AHA	Every 2 years	Hands- on course	8 hrs	✓	—	✓	—
15	PALS Certi- fica- tion (if pediat- ric cases)	§416.4 6 / AHA	Every 2 years	Hands- on course	8 hrs	✓	—	✓	—
16	Malign- ant Hyper- ther- mia Pro- tocol	§416.4 2(b)	Annual	In-per- son simu- lation	1 hr	✓	✓	✓	—
17	Moder- ate/ Deep Seda- tion (if applic- able)	§416.4 2(b)	Annual	In-per- son	1 hr	✓	—	✓	—
18	Surgic- al Site Infec- tion Pre- ven- tion	§416.5 1	Annual	In-per- son	1 hr	✓	✓	✓	✓
19			Annual		1 hr	✓	✓	—	✓

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	RN	ST	CRNA	SPD
	Sterile Technique	§416.51		In-person + observation					
20	Surgical Counting Procedures	§416.42	Annual	In-person	30 min	✓	✓	—	—
21	Specimen Handling	§416.42	Annual	In-person	30 min	✓	✓	—	—
22	Patient Assessment (pre-op, intra-op, post-op)	§416.42	Annual	In-person	1 hr	✓	—	✓	—
23	Pain Management	§416.42	Annual	In-person	1 hr	✓	—	✓	—
24	Safe Patient Handling & Positioning	OSHA / §416.44	Annual	In-person	30 min	✓	✓	✓	—
25	Universal Protocol	§416.42 / TJC NPSG	Annual	In-person	30 min	✓	✓	✓	—

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	RN	ST	CRNA	SPD
	(Time-Out, Site Marking)								
26	Medication Administration Safety	\$416.48	Annual	In-person	1 hr	✓	—	✓	—
27	Controlled Substance Management	\$416.48 / DEA	Annual	In-person	30 min	✓	—	✓	—
28	Crash Cart / Emergency Equipment Use	\$416.44	Annual	In-person simulation	1 hr	✓	✓	✓	—

2.3 Sterile Processing-Specific Training

#	Training Topic	Regulatory Basis	Frequency	Method	Duration	SPD
29	Instrument Decontamination & Cleaning	§416.51 / AAMI ST79	Annual + new equipment	In-person	2 hrs	✓
30	Steam Sterilization Principles	§416.51 / AAMI ST79	Annual	In-person	1 hr	✓
31	Biological Indicator Testing	§416.51	Annual	In-person	30 min	✓
32	High-Level Disinfection	§416.51 / AAMI ST91	Annual + new equipment	In-person	1 hr	✓
33	Flexible Endoscope Reprocessing (if applicable)	§416.51 / AAMI ST91	Annual	In-person	2 hrs	✓
34	Manufacturer IFU Compliance	§416.51	Each new instrument/device	Self-study + validation	Varies	✓
35	Package Integrity & Storage	§416.51	Annual	In-person	30 min	✓

2.4 OSHA-Required Training

#	Training Topic	OSHA Standard	Frequency	Applies To	Duration
36	Bloodborne Pathogen Exposure Control Plan	29 CFR 1910.1030	Annual	All staff with occupational exposure	1 hr
37	Personal Protective Equipment (PPE)	29 CFR 1910.132	At hire + annual refresher	All staff	30 min
38	Hazard Communication (GHS/SDS)	29 CFR 1910.1200	At hire + new chemical introduction	All staff	30 min
39	Respiratory Protection (if required)	29 CFR 1910.134	Annual + fit testing	Staff with respirator requirement	1 hr
40	Formaldehyde Exposure (if applicable)	29 CFR 1910.1048	Annual	Staff in pathology/lab areas	30 min
41	Ethylene Oxide (ETO) Exposure (if applicable)	29 CFR 1910.1047	Annual	Staff operating ETO sterilizers	30 min
42	Ergonomics & Safe Lifting	OSHA General Duty	Annual	All clinical staff	30 min
43	Electrical Safety	29 CFR 1910.303	Annual	Clinical + maintenance staff	30 min
44	Compressed Gas Safety	29 CFR 1910.101	Annual	Staff handling medical gases	30 min
45	Emergency Action Plan	29 CFR 1910.38	Annual	All staff	30 min
46	TB Screening / Exposure Protocol	OSHA / CDC	Annual screening	All staff with patient contact	15 min

2.5 Leadership & Compliance-Specific Training

#	Training Topic	Basis	Frequency	Applies To	Duration
47	CMS Conditions for Coverage Overview	§416	Annual	MGR, Compliance Lead	2 hrs
48	QAPI Program Management	§416.43	Annual	MGR, Quality Lead	2 hrs
49	Survey Preparation & Response	CMS / AAAHC	Annual	MGR, all leads	2 hrs
50	Incident Reporting & Root Cause Analysis	§416.43 / AAAHC	Annual	MGR, Clinical Leads	1 hr
51	Credentialing & Privileging Process	§416.45	Annual	MGR, Medical Director	1 hr
52	Regulatory Change Updates	CMS / State	Quarterly	MGR, Compliance Lead	1 hr
53	Compliance Program (OIG 7 Elements)	OIG Guidance	Annual	MGR, all staff (overview)	1 hr
54	Fraud, Waste & Abuse Prevention	OIG / CMS	Annual	All staff (billing-involved emphasized)	1 hr

Section 3: Individual Training Record Template

Create one record per employee. File in their personnel folder.

Section 4: Annual Training Calendar

Recommended Monthly Training Schedule

Month	Training Focus	Topics Covered	Duration	Target Audience
January	Infection Control Refresh	IC program review, hand hygiene competency, SSI prevention, BI testing review	2 hrs	All clinical staff
February	Fire Safety & Emergency Prep	RACE/PASS review, fire drill, evacuation plan, emergency preparedness drill	2 hrs	All staff
March	OSHA Annual Requirements	BBP, HazCom, PPE, ergonomics, workplace violence	3 hrs	All staff
April	Medication Safety	Controlled substance management, medication errors, safe administration, storage	2 hrs	Clinical staff
May	Surgical Safety	Universal Protocol, surgical counts, specimen handling, positioning	2 hrs	OR staff
June	Patient Rights & HIPAA	Privacy refresher, informed consent, advance directives, grievance process	1.5 hrs	All staff
July	Clinical Competency Week	Skills stations: BLS practice, crash cart, MH protocol, emergency equipment	4 hrs	All clinical staff

Month	Training Focus	Topics Covered	Duration	Target Audience
August	Sterile Processing	Decontamination, sterilization, HLD, IFU compliance, package integrity	2 hrs	SPD + OR staff
September	Documentation Standards	Medical record requirements, operative reports, authentication, chart audit findings	1.5 hrs	Clinical staff
October	Survey Preparedness	Mock survey participation, interview practice, common deficiencies, POC writing	3 hrs	All staff
November	Quality & Compliance	QAPI program review, compliance program, fraud/waste/abuse, incident reporting	2 hrs	All staff
December	Year-End Review & Planning	Training completion verification, gap analysis, next year planning, recognition	1.5 hrs	All staff

Training Day Logistics for Small Teams

Reality Check for Small ASCs: You cannot shut down for a full training day. Here's how to make it work:

1. **Stagger training** — Train half the staff one week, the other half the next
2. **Use pre-work** — Send online modules before the in-person session to reduce classroom time
3. **Lunch-and-learn format** — 30-60 minute focused sessions during lunch breaks
4. **Combine topics** — Group related training (e.g., all OSHA topics in one session)

5. **Document EVERYTHING** — Sign-in sheets, pre/post tests, competency checklists. If it isn't documented, it didn't happen
 6. **Provider training** — Physicians may not attend staff meetings. Create a physician-specific packet and obtain their signature acknowledging receipt and completion
-

Section 5: Competency Validation Tools

5.1 Direct Observation Competency Form

Employee: ____ Date: ____

Observer: ____ Skill Being Assessed: ____

#	Perform- ance Criter- ia	Met	Not Met	N/A	Comments
1	Performs hand hygiene at appropriate times	☐	☐	☐	
2	Dons and doffs PPE correctly	☐	☐	☐	
3	Maintains sterile technique (if applicable)	☐	☐	☐	
4	Follows Universal Protocol / Time-Out	☐	☐	☐	
5	Verifies patient identity using two identifiers	☐	☐	☐	
6	Documents accurately and completely	☐	☐	☐	
7	Communicates effectively with team	☐	☐	☐	
8	Operates equipment safely and correctly	☐	☐	☐	
9	Responds appropriately to emergencies	☐	☐	☐	
10	Follows facility policies	☐	☐	☐	

#	Perform- ance Criter- ia	Met	Not Met	N/A	Comments
	and proced- ures				

Overall Assessment: ☐ Competent ☐ Needs Remediation

Remediation Plan (if applicable):

Observer Signature: __ **Date:** _

Employee Signature: __ **Date:** _

5.2 Emergency Skills Validation Checklist

Skill	Validated?	Date	Method	Evaluator
BLS — Adult CPR	☐ Yes ☐ No		☐ AHA Course ☐ In-house drill	
Defibrillator / AED Operation	☐ Yes ☐ No		☐ Demonstration ☐ Simulation	
Crash Cart Location & Contents	☐ Yes ☐ No		☐ Verbal ☐ Walk-through	
Malignant Hyperthermia Protocol	☐ Yes ☐ No		☐ Simulation ☐ Written test	
Anaphylaxis Management	☐ Yes ☐ No		☐ Simulation ☐ Case review	
Fire Extinguisher Operation (PASS)	☐ Yes ☐ No		☐ Demonstration ☐ Verbal	
Evacuation Procedure	☐ Yes ☐ No		☐ Drill participation ☐ Verbal	
Power Failure Response	☐ Yes ☐ No		☐ Scenario ☐ Verbal	
Medical Gas Emergency (shut-off)	☐ Yes ☐ No		☐ Walk-through ☐ Verbal	
Hemorrhage / Massive Transfusion (if applicable)	☐ Yes ☐ No		☐ Simulation ☐ Case review	

Section 6: Training Documentation Requirements

What Surveyors Want to See

Document	Where to File	Retention Period
Signed training sign-in sheets	Training binder (by topic and date)	3 years minimum
Pre/post test results	Individual employee file	Duration of employment + 3 years
Competency validation forms	Individual employee file	Duration of employment + 3 years
BLS/ACLS/PALS cards (copies)	Individual employee file (credentialing file for providers)	Duration of employment
Orientation checklist (signed)	Individual employee file	Duration of employment + 3 years
Annual training completion matrix	Training binder + compliance file	3 years minimum
Fire drill participation records	Fire safety binder	3 years minimum
In-service presentation materials	Training binder	3 years minimum

Training Sign-In Sheet Template

Training Topic: ____
